New business:

1. Annual dinner (Nicoud): Committee had no date for its meeting. Feedback from previous dinner had been positive. A raffle and awarding of doorprizes had been made at the previous party. Raffle items solicited.
2. Brewers; game (Sperl): Due to previous season's success, Brewer tickets for a Saturday evening game is not foreseeable. Proposal was made to attend a weekday evening game. Instead of meeting at Mack Truck, association members would meet at one of the restaurants on Bluemound Road. These have shuttle bus service to Miller Park. Proposed date will be sent to administrative assistant. Replies would be via e-mails. Mr. Sperl is the POC for this event.
3. Group party instead of a January meeting (Preston): At the previous meeting in October, it had been proffered to have a group party instead of a January meeting.
 - a. Mr. Lovering proposed to have a party at his residence in May rather than January.
 - b. Mr. Preston would contact Mr. Lovering on the logistics for such a party.
 - c. Spouses and significant others would be invited. A short meeting of the members during the party had been proposed. No decision was made on a co-meeting.
4. A golf outing for this summer was proposed. No member accepted the task to coordinate the event. (Mr. Nardelli spoke as to the USO Board's golf outing to be held on 11 June 2012 at the Rivers at Mequon. Cost would be \$100 to \$120.)
