Committees:

A. Holiday Party 2013 - A decision is pending on the menu selections and the venue. Name tags will be used at the next party. Having a bar within the party room is under consideration. The Klemmer facility would require a minimum of \$250.00 in beverage purchases for a bar/bar tender in the party room.

Questions:

1. What would be the cost of a bar and bar tender if there was less than \$250.00 spend on beverage purchases?
2. Should the party start one half hour earlier?
3. Should the party be held on the first week of October 2013?

The last two question will be proposed to the full membership. (Via a flyer or e-mail/depending on costs and computer access.)

B. 2013 Brewers Baseball Game - The committee members are Gormley, Kingsbery and Rumler. Tickets will be available in January 2013.

Unfinished Business:

No decision was made as to have additional parties in lieu of meetings.

New Business: Klassen sprained her ankle

Good of the order: New meeting will be 12 January 2013. This is a change from the previous announced day of 19 January 2013.
